Dinapore Cantonment, the 3rd January 1978

S.R.O.—WHEREAS a draft of the bye-laws to amend The Dinapore Cantonment (Regulation and Control of Water Supply) Bye-laws, 1972, was published with the Cantonment Board's Notice No. 23/1/1233, dated the 20th June, 1977, as required by sub section (1) of section 284 of the Cantonments Act, 1924 (2 of 1924), for inviting objections and suggestions from all persons likely to be affected thereby till the expiry of a period of thirty days from the date of publication of the said notice;

AND WHEREAS the said notice was put up on the Cantonment Notice Board on the 20th June, 1977;

AND WHEREAS no objections or suggestions were received from the public by the Cantonment Board Dinapore before the expiry of the said period of thirty days;

AND WHEREAS the Central Government have duly approved and confirmed the said draft of the bye-laws as required by sub-section (1) of section 284 of the said Act;

NOW, THEREFORE, in exercise of the powers conferred by clauses (32), (33) and (34) of section 282 and section 283 of said Act, the Cantonment Board, Dinapore hereby makes the following bye-laws, namely:—

1. *Short title and commencement.*—(1) These bye-laws may be called the Dinapore Cantonment (Regulation and Control of Water Supply), Amendment Bye-laws, 1977.

(2) They shall come into force on the date of their publication in the official Gazette.

2. In the Dinapore Cantonment (Regulation and Control of Water Supply) Bye-laws, 1972,—(i) for sub bye-law (2) of bye-law 8 the following shall be substituted, namely:—

“(2) The Executive Officer shall, on behalf of the Board consider applications for grant of connections and sanction or reject the same.

(3) An appeal shall lie to the Board from the order of the Executive Officer and the Board shall thereon decide the same.”;

(ii) to sub bye-law (i) of bye-law 9, the following proviso shall be added, namely:—

“Provided that an application made by a lessee or occupier of a building or land shall be accompanied by consent in writing of the owner of the building or land”;

(iii) for bye-law 10, the following shall be substituted, namely:—

“10. *application to be accompanied by connection fee and deposit of security*;

Any application under bye-law 9 shall be accompanied by connection fee of ten rupees and before water connection is given the applicant shall also deposit a sum equal to three months water charges, calculated under bye-law 12, as security money.”;

(iv) in bye-law 11, for the words “Board has reason to believe that the water, supplied for domestic purpose, is likely to be used for non-domestic”, the words “Board has reason to believe that the water, supplied for domestic purpose has actually been used for non-domestic” shall be substituted;

(v) in bye-law 12, for the Table and the provisos below it, the following shall be substituted namely:—

THE TABLE

- (j) the existing buildings to be retained, in white lines and existing buildings to be demolished, in yellow lines; and
- (k) all new work in red colour or in red lines.

6. *Provision for Water Supply, Urinals, Latrines and Bath Rooms*:—

(1) Every person who erects or re-erects a building, the whole or any part of which is intended for human habitation, shall provide adequate facilities for water supply, and adequate number of urinals, latrines and bath rooms as the Board may direct in each case.

(2) The position and design of the said latrines and urinals shall be subject to the approval of the Health Officer of the Board and there shall be provided one such latrine for every 20 persons or less.

7. *Provision for down-take Pipes and Drains*:—

Down-take pipes and drains for the carriage of waste or sullage water from the building proposed to be erected or re-erected shall be made of impervious material and shall be connected to the nearest public drain.

8. *Minimum Area required for Rooms*:—

No room intended to be used for human habitation shall have a length or a width of less than 3.5 metres and a height of 2.5 metres at the eaves in the case of pent roof and 3 metres in the case of flat-roofs and pent roofs shall not slope down at an angle greater than 30°;

Provided that if considerations of structural requirement so require and in cases of re-erection of existing structures, the Board may permit the length or width of any room to be reduced beyond 3.5 metres but in no case below 2.5 metres.

9. *Provision for Staircase*:—

Every building proposed to be erected or re-erected and having more than one floor shall have a staircase of width of not less than one metre.

10. *Provision for vacant space*:—

Every building proposed to be newly erected shall have a vacant space, all around at least 2.5 metres wide;

Provided that nothing in this bye-law shall apply to buildings to be erected in sites situated in any notified Civil Area.

11. Minimum Plinth Level of Buildings :—

The plinth of every building proposed to be erected or re-erected, shall be at least 0.3 metre above ground level and a cement concrete coping of thickness of at least 2.5 centimetres shall be provided between the plinth and the superstructure.

12. Provision for Godown :—

No part of any building proposed to be erected or re-erected and intended to be used as a godown shall be constructed unless the floor of such part is made of stone, concrete or other impervious material upto a depth of at least 0.5 metre from ground level.

13. Restriction for Erection or Re-erection :—

No building shall be erected or re-erected for the purpose of housing any bank, shop, hotel, factory, school, hospital or workshop in any residential bungalow site situated outside the notified Civil Area unless :—

- (a) such site has been declared by the appropriate authority to be or to form part of a commercial area;
- (b) the frontage is at least 5 metres removed from the centre of the street on which it abuts;
- (c) it is situated at a distance of not less than 30 metres away from any religious building.

14. Number of Storeys and the Height of Building :—

No house to be erected or re-erected shall have more than 3 storeys or shall have a height exceeding 15 metres from the plinth level;

Provided that where the Board is satisfied that construction of more than three storeys is not structurally detrimental to the building and does not interfere with the easementary and other rights of neighbouring buildings, it may allow the construction of 4 storeys or permit the building to be raised to a height upto 20 metres.

15. Instructions for Construction of Upper Storey

Where an upper storey is to be constructed, the walls on the ground floor shall not be less than 35 centimetres in thickness if the height of the building does not exceed 8 metres and not less than 45 centimetres in thickness if the height of the building is greater.

Provided that in case of partition walls on which the weight of the roof does not fall, the thickness may not, however, be less than 25 Centimetres.

16. Thickness of Outer Walls of Single Storey :—

For single storey buildings the outer walls shall not be less than 35 centimetres in thickness.

17. Building Material to be used :—

All walls shall be made of stone or bricks in lime or cement.

18. Balconies :—

Balconies shall not be allowed to project on vacant land, but they may be allowed to project on streets upto a maximum width of 1 metre and at a height of not less than 4 metres from the ground level. Such permission may be granted only where further ground extension is impossible;

Provided that the restriction regarding height of 4 Metres may be relaxed by the Board in respect of existing buildings on which upper storeys are proposed to be constructed;

Provided further that steps for ingress into or egress from a building shall be provided within the plinth area itself.

19. Provisions for Eaves :—

Eaves above doors and windows may be allowed to extend to an extent of not more than 0.5 metre beyond the outer walls.

20. Provision for Sloping Roof :—

A sloping roof may be allowed to extend to an extent not more than 0.5 metre from the outer wall, provided that sufficient arrangements has been made for the carriage of storm water from the roof to a drain.

21. Commencement of Construction Work :—

No construction work shall be commenced unless a notice in Form 'C' duly signed by the owner or the Engineer supervising the work is tendered at the office of the Board.

22. Notice of Completion of Building :—

No building erected or re-erected shall be occupied unless a notice of completion is tendered and a completion certificate is obtained from the Executive Officer.

23. No Deviation from the Sanctioned Plan :—

The plan sanctioned by the Board shall be adhered to in every detail :

Provided that a variation of any internal dimension by not more than 15 Centimetres shall not be considered as a deviation from the sanctioned plan :

Provided further that any unforeseen internal deviation such as re-positioning of doors and windows which is necessitated by requirements of buildings and of which previous notice has been tendered to the Executive Officer by the owner, shall be deemed to have been regularised if the owner submits a final plan on completion of the work showing clearly the deviation.

24. Provision for Iron Gutters :—

(1) All building shall be provided with Iron gutters and down spouts to carry off rain water from the roof, chajjas or other projections.

(2) Gutters and down spouts shall be securely fixed and they shall discharge into the surface drains by means of an elbow piece, the orifice being not more than 30 centimetres above the level of the bed of the drain and discharging in the direction of the flow of the drain.

25. Provisions for Sweeper's Passage :—

(1) Every latrine in the ground floor shall be provided with a Sweeper's passage measuring 1 metre in length and 1 metre in width and a door shall be affixed at suitable place in any of the walls of this passage to facilitate removal of the night-soil from the pan.

(2) No latrine shall be less than 1.5 metre in length and 1 metre in width.

26. Penalty for Breach of Bye-Laws :—

Any person contravening any of these bye-laws shall on conviction be punishable with fine which may extend to one hundred rupees and, in the case of continuing contravention, with an additional fine which may extend to twenty rupees for every day during which such contravention continues after conviction for the first such contravention.
